Dear Mr. Udell,

On behalf of the School of Medicine, it is my pleasure to thank the Allyn P. Udell Hello Dolly Foundation for establishing the Allyn P. Udell Creative Medical Scholars Endowed fund. Your generosity will create a lasting legacy which will honor Allyn's spirit and memory at Tulane University.

I am pleased announce that the first Allyn P. Udell Creative Medical Scholar is Aylise Grossenbacher-McGlamery.

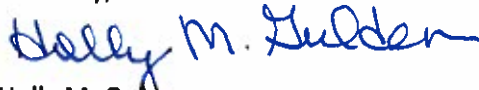

***Aylise Grossenbacher-McGlamery is from Verona, Wisconsin. She is a 2018 Tulane Liberal Arts and Creative Medical Scholars program graduate. She is the first person in her family to attend medical school.***

Additional information about Aylise will be included in your first stewardship report to be sent later this year.

Mr. Udell, I look forward to introducing your family to Aylise later this fall. I know that she looks forward to meeting you all and learning more about Allyn.

Sincerely,

Holly M. Gulden
