Dr. Ira J. Udell
Allyn P. Udell Hello Dolly Foundation
365 Willis Ave.
Mineola, NY 11501-1849

Dear Dr. Udell,

I would like to personally thank the Allyn P. Udell Hello Dolly Foundation for its recent gift to the Multiple Myeloma Patient Assistance Fund at Hackensack University Medical Center. Your generosity is an incredible expression of compassion and kindness, and for that, we are so grateful.

Through your donation, you are ensuring a healthy future for our community, as well as providing important resources that enable our team to take on new opportunities, advance clinical research and address unexpected challenges as they arise. Thank you for your role in making all of this possible. As Hackensack Meridian *Health* continues to evolve as a national health care leader and the need for support continues to grow, we are so glad we can count on you. We want to reassure you that your generosity will specifically benefit the medical center, program, or fund area you have designated.

If you would like to learn more about how your philanthropy impacts our patients, caregivers, and community, please email gratitude@hmhn.org or call 908-692-7461.

Once again, thank you for your generosity.

In gratitude,

Cheryl Smith Lintner
Executive Director of Donor Relations
Hackensack Meridian *Health* Foundation
